

2. Activity situation

2.1 User support

- All materials were prepared and the guidance session for the new academic year was conducted. Guidance materials were made into video clips and released on the library website.

How to Find Research Papers The Basic Guide of SIT Library Library guide for new faculty members

Toyosu Library Digital Tour

Omiya Library Digital Tour

- Library tour (Campus tours and facility visits)

Date: August 2, 3 at Omiya, August 23, 24 at Toyosu

Target: 6,500 high school students, parents, etc. who pre-registered for the open campus

In-class guidance session was conducted (including online) in response to requests from faculty members.

【Main content】 How to use the library: OPAC, SIT Search / Article search: J-DreamIII, Scopus / Literature management tools: RefWorks / How to use databases on chemistry related topics: SciFinder / How to search newspaper articles

Date	Target group	Number of people	Required time	Summary	Host	Notes
4/3	1 st year students in the School of Engineering, System Engineering and Design Engineering	1,915	30	Video “Introduction of the University Library for 1 st year students”, Live demonstration “OPAC Search” and Video “Omiya Library Digital Tour”	Omiya	Administrative
4/3	1 st year students in the School of Architecture	256	25	Video “Introduction of the University Library for 1 st year students”, Live demonstration “OPAC Search” and Video “Toyosu Library Digital Tour”	Toyosu	Administrative
4/7	1 st year students in Fundamental Mechanical Engineering course	148	8(each time)	Library tour	Toyosu	
4/15	1 st year students in UA course	112	80	Library usage and tour	Toyosu	
4/15	Students who take “History of Architectural Culture	106	20	Repair work report of national treasures and important cultural properties	Toyosu	
4/16	2 nd year students in the Dept. of Bioscience and Engineering who take “Life Sciences Experiment A “	67	100	CAS SciFinder	Omiya	
4/22	1 st year students in SA/AP courses who take “Introduction to Architectural Design”	139	100	Library usage and tour	Toyosu	
4/22	1 st year students in Chemistry and Materials who take “Introduction to Industrial Chemistry”	108	80	Library usage and tour	Omiya	
4/23	Students who take “Information Processing I” and “Information Processing Exercise I”	120	100・40	Library usage and tour, How to find newspaper articles and digital materials	Omiya	
4/23	1 st year students in Advanced Mechanical Engineering course who take “Advanced Machinery Fundamentals 1”	114	100	Library usage and how to find materials, Library tour	Omiya	
4/25	Students in Applied Chemistry and Bioscience	51	100	SciFinder	Both libraries	Web
4/28	Students who take “Introduction to Community and Social Research”	20	60	How to find research papers	Toyosu	
5/7	1 st year students in Fundamental Mechanical Engineering course who take “Basic of Mechanical Engineering 1”	147	30	OPAC & My Library and E-books	Omiya	
5/9	Students who take “Report Writing”	42	90×2	Gathering information using the library/	Omiya	
5/27	Job-hunting students	62	100	How to choose a company	Both libraries	Web

6/10	Students in Energy Conversion Engineering Laboratory	25	200	How to use library materials(WoS/J-Dream III/J-Stage/SD/PQD)	Toyosu	
6/13	Students in Design Engineering who take “Thesis Writing Exercise”	53	100	How to find and obtain materials	Toyosu	
6/24	Students of SIT junior high school and high school	428	50	How to use the university library	Toyosu	Web
6/30	Students who take “Report Writing”	38	60×2	Gathering information using the library	Omiya	
7/2	1 st year students in the Dept. of Bioscience and Engineering who take “Information Processing Exercise I”	118	100	How to find and obtain Japanese research papers	Omiya	
7/9	1 st year students in the Dept. of Bioscience and Engineering who take “Information Processing Exercise I”	105	100	How to find and obtain English research papers	Omiya	
7/1	Students who take “Report Writing”	45	60×2	Gathering information using the library	Omiya	
10/7	1 st year students in the Electrical and Electronic Engineering who take “General Introduction to Information Engineering”	103	100	Library usage and tour	Omiya	
10/7	3 rd year students in the Dept. of Bioscience and Engineering who take “Biomedical Engineering Seminar”	54	100	Scopus/ScienceDirect	Omiya	
10/8	1 st year student in Advanced Electronic Engineering course who take “Chemistry Experiment”	64	100×2	Library usage, tour and how to find digital materials	Omiya	
10/21	3 rd year students in the Dept. of Bioscience and Engineering who take “Biomedical Engineering Seminar”	51	100	RefWorks	Omiya	
10/24	Students who take “Report Writing”	38	90×2	Gathering information using the library	Omiya	
10/28	Students who take “Report Writing”	14	90	Gathering information using the library	Toyosu	
11/5	1 st year student in Advanced Electronic Engineering course who take “Chemistry Experiment”	64	100×2	Library usage, tour and how to find digital materials	Omiya	
12/2	Job-hunting students	37	100	How to choose a company	Both libraries	Web
12/15	Students who take “Report Writing”	38	60×2	Gathering information using the library	Omiya	
12/16	Students who take “Report Writing”	37	60×2	Gathering information using the library	Omiya	
3/25	Students in Human-Centered Information Systems Laboratory	9	60	Gathering information using the librar	Omiya	

Total:4,728 students

Handouts, recorded videos, survey results, etc. are posted on the library website for campus use only.
